

IN THE COLD

it works

AS HARD AS THE PROS DO.

Introducing Paslode Framing Fuel with All-Season Formula

Features & Benefits:

- Consistent system performance down to -15C (better than pneumatics)
- Prevents downtime due to cold weather conditions
- Each fuel cell drives up to 1,200 nails
- No need for fuel cell warm-up
- No need for double pumping
- Works in all Paslode Cordless Framing Nailers
- Replaces Red Fuel – Includes 2 adapters
- Easy loading fuel for convenient change outs
- Designed for convenient installation... just load 'n go!

Quick Load

Maximum Performance

Pennies Per Shot
