

WHEN YOU NEED PRECISION
in
TIGHT SPACES.

18

Paslode Impulse Cordless 18 Gauge Finish Nailing System

Features & Benefits:

Designed for accurate nail placement and detailed trim work, the 18 Ga Cordless Li-ion helps reduce jobsite fatigue and provide better control. The compact design offers superior maneuverability for precise nail placement in tight spaces and a variety of work conditions.

Powerful precision. Finish right the first time.

- Less downtime – Li-ion battery drives up to 12,000 nails per charge
- 8% lighter – 4.6 lbs. for less fatigue and better control
- New easier depth of drive thumbwheel
- New battery standby position conserves charge
